2. According to reference the Frankfurt directory, listing RAYL, August, still live. They query whether he could be identical with RAYL'S adjutant who was reported in 1941 in the (early 1940) as being in contact with Harry Jackson WARE of the Bruerengruff and Der Spiegel. Since Ware was based on information coming from Glywood, could Glywood give us any information re RAYL'S adjutant which might clarify the situation? We have nothing further in our files.
